Seashells by the Seashore — Presenting the denizens of the sea. Appropriately named Low Tide, this unique business brings treasurers of the coast to the visitors and residents of the area. There are hundreds of seashore related items, many made of actual shell and ocean inhabitants. Inside are beautiful abalone shell earrings, necklaces, and other stunning jewelry items. Fun and colorful varieties of wall art provide a feast for the eyes while festive magnets dance at the slightest movement. There are glow-in-the-dark, glass jellyfish and bug-eyed blowfish. Post cards, shopping bags, nightlights, candles, soaps, and all things nautical abound. There are kid's toys and beach gear at the ready. Step into a successful, turnkey business.
