Wonderful, Blue Water Views — Location, location, location. View, view, view. A very well designed and crafted home on a beautiful level parcel, walking distance to the beach, market and town. Sunny, and open. Great for gardening and evening walks. Built by a corporate employee of General Pacific Mill, and the quality of siding came hand picked from the company. Single level, attached 2 car garage, and convenient, practical and well laid out. Your dream home awaits. Enjoy the sound of crashing waves and watch the water for hours on end as the sun sets.
